Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Letters to a Painter on Theory and Practice of Painting Not very long ago, in connection with our conversations in your studio, you expressed the wish that the private lectures on the technique of painting into which your eager and intelligent questions had led me, might be made more generally accessible to your brother artists. You touch a very sympathetic chord in me, for in my own dilettante attempts in your art I am so much in debted to involuntary applications of my scientific knowledge that it is very easy to persuade me that these points might also be of use to others. So let us again go over what we have so often discussed, and forgive an Old teacher if he replaces by a systematic lecture the casual interchange of ideas in friendly conversation.
