Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****. The \$30,000 Bequest and Other Stories (1906) is a collection of thirty comic short stories by the iconic American humorist and writer Mark Twain. The stories contained span the course of his career, from Advice to Young Girls in 1865 to the titular tale in 1904. Although Twain had ample time to refine his short stories between their original publication date and this collection, there is little evidence to suggest he took an active interest in doing so. A Burlesque Biography contains only a few minor technical revisions which make it different from the 1871 version found in Mark Twain s (Burlesque) Autobiography and First Romance. Advice to Little Girls shows slight revision from its earlier publication in The Celebrated Jumping Frog of Calaveras County.
