Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lion Hudson Plc, United Kingdom, 2014. Paperback. Condition: New. New edition. Language: English . Brand New Book. This profound little book encourages us to set aside our limited expectations, and to fall in line with God's. Human beings like organization, structures, plans; God grows people. We ask for a budget; God offers us love. If you are aiming at relationship rather than performance, how do you measure effectiveness? How do you write a mission statement, yet allow God space to act out His plan rather than yours? What does Divine Order look like? Faith in God involves risk, and the possibility that God will do something entirely new. Starting with the seven days of creation, Danielle considers how God's world resembles A Beautiful Mess - vibrant, full of colour and pulsating with life, but not about propositions. The Christian life is organic, not prescribed. We were not created to work, but to be fruitful. We need to be willing to put ourselves in a position where only God can do what needs to be done, and to have the humility to let God show us what that is.
