Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Bolshevism in English Literature: Being an Inaugural Lecture During the war many new words were added to our language. So fond have we become of this word out of Russia that we are willing to apply it to almost any movement or doctrine which would sweep away old landmarks and introduce a new state of affairs either in politics, in religion, in education, or in literature. It is to several of the innovators or Bolsheviks who have figured in the history of English literature that I propose to direct your attention to-day. These Lenins and Trotskys of the world of letters...
