Bibliogov, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Summarizes what child welfare professionals can do to support the identification and assessment of the impact of maltreatment and trauma on brain development, including what to look for at different ages and stages of child development. The bulletin also addresses how to work effectively with children, youth, and families to support healthy brain development and how to improve services through cross-system collaboration and trauma-informed practice.
