THE 48 LAWS OF POWER

[DOWNLOAD](#)

Condition: New. Publisher/Verlag: Penguin US | Amoral, cunning, ruthless, and instructive, this New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control. In the book that People magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, The 48 Laws of Power is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game. | Preface

Law 1: Never outshine the master Always make those above you feel comfortably superior. In your desire to please or impress them, do not go too far in displaying your talents or you might accomplish the opposite—inspire fear and insecurity. Make your masters appear more brilliant than they are and you will attain the heights of power.

Law 2: Never put too much trust in friends, learn how to use enemies Be wary of friends—they will betray you more quickly, for they are easily aroused to envy. They also become spoiled and tyrannical. But hire a former enemy and he will be more loyal than a friend, because he has more to prove. In fact, you have more to fear from friends than from enemies. If you have no enemies, find a way to make them.

Law 3: Conceal your...
