Reviews

The book is great and fantastic. Yes, it really is engage in, still an interesting and amazing literature. You wont feel monotony at at any moment of your respective time (that's what catalogs are for regarding if you request me).
(Daren Raynor II)

LYNDA BARRY: GIRLHOOD THROUGH THE LOOKING GLASS

University Press of Mississippi. Hardcover. Condition: New. 208 pages. Dimensions: 9.1in. x 6.1in. x 0.9in. Best known for her long-running comic strip Ernie Pooks Comeek, illustrated fiction (Cruddy, The Good Times Are Killing Me), and graphic novels (One! Hundred! Demons!), the art of Lynda Barry (b. 1956) has branched out to incorporate plays, paintings, radio commentary, and lectures. With a combination of simple, raw drawings and mature, eloquent text, Barrys oeuvre blurs the boundaries between fiction and memoir, comics and literary fiction, and fantasy and reality. Her recent volumes *What It Is* (2008) and *Picture This* (2010) fuse autobiography, teaching guide, sketchbook, and cartooning into coherent visions. In *Lynda Barry: Girlhood through the Looking Glass*, author Susan E. Kirtley examines the artists career and contributions to the field of comic art and beyond. The study specifically concentrates on Barrys recurring focus on figures of young girls, in a variety of mediums and genres. Barry follows the image of the girl through several lenses--from text-based novels to the hybrid blending of text and image in comic art, to art shows and coloring books. In tracing Barrys aesthetic and intellectual development, Kirtley reveals Barrys work to be groundbreaking in its understanding of femininity and feminism. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
