IVP Connect. Paperback. Book Condition: New. Paperback. 134 pages. Dimensions: 8.9in. x 6.0in. x 0.4in. Did you know you could read and study the Bible without using any chapters or verses? The books of the Bible are real books. They're meant to be experienced the same way other books are: as exciting, interesting works that keep you turning pages right to the end and then make you want to go back and savor each part. The Understanding the Books of the Bible series of study guides will help you do that with the Bible. While you can use these guides with any version or translation, they're especially designed to be used with The Books of the Bible, an edition of the Scriptures from Biblica that takes out the chapter and verse numbers and presents the biblical books in their natural form. Written with careful attention to the original language, historical setting and literary structure of each book, these guides are great for individual study, Sunday School classes, and small group Bible studies. They make a great next step for churches and other groups that have done a Community Bible Experience with Biblica. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
