INTERVIEW WITH MAJ RANDOLPH MORGAN

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.During his 2005-06 deployment to Afghanistan in support of Operation Enduring Freedom, Major Randolph Morgan served as the operations officer for Task Force Guardian, the military police brigade charged with overseeing all MP functions in country. These included a variety of area security and route mobility responsibilities as well as detainee operations and miscellaneous law and order duties on the larger installations. Being as it was a joint environment, Morgan said, he had to deal with a giant melting pot of folks with very different expectations as far as discipline was concerned and familiarization with military law. So all that being said, I was surprised he added. The blotter was beautifully small every single day. In addition, he discusses the training his brigade provided to Afghan police and border patrol forces, the problem of cargo theft across the Afghanistan-Pakistan border, and the large amount of battlefield circulation he was able to do. I can't imagine another experience where I would have been exposed to so many different types of activities at so many different levels in such a condensed period of time Morgan said in closing. In only 12 months, getting such an education about jointness, about working at the JTF level, but also getting my hands dirty and working down at battalion level when I'd be out conducting assessments and working with units themselves. So, it was a phenomenal experience.
