SEVEN YEARS TO ZERO (PAPERBACK)

Dzanc Books, 2017. Paperback. Condition: New. Language: English . Brand New Book. A miniature city constructed entirely of trash. An Explorer's Club, where an artist transforms conquest to artifice through the striking use of color. A squirrel cage where dead and poisoned thoughts ricochet like Bingo balls. A forest growing inside a gallery, complete with a living raccoon. These are just a few of the modern art landscapes, real and imaged, in Amy Benson's *Seven Years to Zero*, a collection of linked vignettes that blurs the line between fiction and memoir. In a narrative divided into seven years, the collection traces on couple's move to the metropolis, and their struggle with the decision of having a child in a world of factories, earthquakes, pollution, extinction, nuclear fallout and uncertain future. Through the lens of one couple, one city, and one child, Benson explores how art shapes awareness, and how awareness shapes our understanding of our place in a changing world.
