Reviews

A very amazing ebook with lucid and perfect answers. it was actually writtern quite flawlessly and useful. Its been written in an exceedingly basic way and it is simply right after i finished reading this publication in which basically changed me, change the way i really believe.

(Garett Stanton)

SOURCES OF AUTHORITY: THE EARLY CHURCH: VOLUME 1

World Council of Churches (WCC Publications). Paperback. Book Condition: new. BRAND NEW, Sources of Authority: The Early Church: Volume 1, Tamara Grdzelidze, Living and witnessing to their faith in the first centuries after the New Testament, the men and women of the early church -- theologians and bishops, ascetics and martyrs -- have exerted a profound influence and authority in the subsequent theological and ecclesial periods and traditions. Yet, what is their significance, authority, and pull for Christians today? Can reverence for them survive critical scrutiny? What can they teach us about the core of Christian scriptures, tradition, and ecclesial life? In this remarkable volume, scholars and theologians from a variety of confessional traditions assess the contributions, failings, and contemporary relevance of the teachers and witnesses of the early church.
