Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from State of Labor in Europe, 1878 To save repetition as much as possible, I may say that a perusal of the consular reports herewith submitted forces the painful impression upon the mind that low wages, enforced idleness, dear and scanty food, make the laborer's life, in a majority of the countries of Europe, a continual struggle with absolute want. No American laborer or capitalist can read these reports without a feeling of the utmost commiseration for the toiling millions of Europe, and of heartfelt pride in, and appreciation of the blessings which Heaven, through a free government, has vouchsafed to the people of the United States. Belgium. Taking areas and populations into consideration, there is, perhaps, no other country in Europe whose labor statistics present so condensed a field for investigation, or whose workingmen have so clearly accepted their situation - putting their patient industry, and even continuity, against the almost limitless capital and capacity, but less reliable labor, of their more powerful neighbors - as those of Belgium. Contentment among her working people,...
