As the host of her own television news show, Faith Marin works to expose the truth for her viewers. But in her personal life, she s anchored her world with firm boundaries in order to hide a family history she d like to forget. Her pro bass fisherman husband Geary s life is an open book, and unfortunately his busybody family doesn t know the meaning of boundaries. Deception and crippling differences soon derail their tender relationship, leading Faith to believe her only option is to end the marriage. But while Faith considers whether divorce is the only answer to their issues, tragedy strikes and her heartrending decision is interrupted. With her life in the balance, Faith finds that the one she has been shutting out may be the very one she cannot bear to lose. Kellie Coates Gilbert takes readers on an emotional roller coaster as she weaves themes of unexpected trial, self-discovery, and forgiveness in this profoundly honest portrait of the tensions that can break a marriage--and the ultimate healing power of love.
