Discover the Immeasurable (Paperback)

By J. Krishnamurti

Hohm Press, U.S., United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. Discover the Immeasurable contains a series of six lectures given by J. Krishnamurti in the fall of 1956. It includes the original questions from his listeners, together with his insightful and practical answers. These lectures, as all of the great philosopher's work, are based on the need for radical change in understanding our own minds. The title of this series stems from a primary question: Can you and I discover something that is immeasurable? With the term immeasurable, Krishnamurti is urging us to explore what is beyond the beliefs and theories, beyond the sentimental hopes and intellectual assertions [and] mere projections of the mind that determine our lives. Instead of being seduced by such illusions, he calls us to passionate action in experiencing life directly, since only direct experience has validity. To directly experience what is immeasurable will have an extraordinary significance in our lives, even to the point of realizing what is God, or what is truth. A steep price-in terms of fierce dedication to work on self-is paid for such direct experience, however. As Krishnamurti says: To understand the immeasurable, which is to...

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
