Foreclosed: High - Risk Lending, Deregulation, and the Undermining of Americas Mortgage Market

By Dan Immergluck

Cornell University Press. Hard cover. Condition: New. 264 pages. Dimensions: 8.9in. x 6.3in. x 1.0in. In 2007 and 2008, the United States has observed, with some horror, the explosion and collapse of entire segments of the housing market, especially those driven by subprime and alternative or exotic home mortgage lending. *Foreclosed* explains the rise of high-risk lending and why these newer types of loans and their associated regulatory infrastructure failed in substantial ways. Dan Immergluck narrates the boom in subprime and exotic loans, recounting how financial innovations and deregulation facilitated excessive risk-taking, and how these loans have harmed different populations and communities. Immergluck, who has been working, researching, and writing on issues tied to housing finance and neighborhood change for almost twenty years, has an intimate knowledge of the promotion of homeownership and the history of mortgages in the United States. The changes to the mortgage market over the past fifteen years including the securitization of mortgages and the failure of regulators to maintain control over a much riskier array of mortgage products led, he finds, inexorably to the current crisis. After describing the development of generally stable and risk-limiting mortgage markets throughout much of the twentieth century, *Foreclosed* details how federal policy-makers failed to regulate...
