Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Importance of Self-Awareness Goldilocks had reached the end. She d be happy to have walked out at that point, but she thought if she was on her way out anyway, why not speak her mind on the way to the door! Goldilocks works for a small family business run by the Fear Family- Papa Fear, Mama Fear and Baby Fear. She s had just about all she can take working with these three people who are all hamstrung by their individual fears which they re unaware of. Goldilocks reaches the point where she finds the business insufferable to work for, so she decides to be honest as her parting gift to the family. There are so many fears which beset us: fear of change, fear of failure, fear of rejection. In this story Glen Sharkey cleverly paints a picture of the three predominant fears that we encounter in all walks of life, how they might be simply categorized, and what we need to do to overcome these. This book is a superb read for many people who wonder why life is quite going according to plan.
