When a hard-nosed CEO must get married or lose everything, she hires her womanizing best friend to teach her about men, but as the lessons progress so does her alarm as she finds herself falling in love with him. Get married or you're cut off without a cent! Her entire life, CK put her family's business first. She didn't go to dances, never had a boyfriend, never even went out on a date. There wasn't time. So when her eccentric grandfather tells her she has one month to find a husband or she'll lose the company, she turns to the only person who can help her learn how to attract a man: her womanizing best friend, Ryan Anderson. If anyone can teach her what makes men lose their minds over a woman, it's him. Now if only she can get through the lessons without falling for him. To protect the innocence he treasures in his friend, Ryan reluctantly agrees to help before setting out to prove to CK that she deserves to marry for love. But as every effort to sabotage her plan to become a man trap backfires and her frumpy facade crumbles away, Ryan finds himself wishing that he could be the guy for her. Can he win her heart before he loses her forever? This item ships from La Vergne, TN. Paperback.
