Archway Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When a woman knows what she deserves, she is bound to own it. Like any woman, Carmen quickly came to conclusion that what was missing should be rectified. Is love worth fighting for, when he doesn't give his time, energy, or consideration. Problem is; she wonders if Randy is worth that fight. So when Malcolm Rhodes, a man who's familiar with the word pleasure, makes her an offer she simply can't resist, she doesn't. She decides that it's time to make room for someone new, one who can satisfy the deep sexual cravings that Randy simply can't. And when Malcolm gives her something she didn't know she was missing-- to feel wanted-- she started to rethink everything. Desperation of a fed up woman, Carmen made some rules of her own: If my man won't make time for me, I'll find one who will. If my man doesn't treat me like I'm his, I'll find one who will. If my man can't satisfy my every need, I'll find one who will. In Malcolm, Carmen presumes he can spoil her in all her desires. But can she have her cake and eat it too? Or will Randy finally take notice of what's been going on behind his back. Will he fight for love, or will he walk away and never look back?.
