POSTPONING THE CRONE (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Postponing The Crone is the first of four volumes of poetry by Azalea AElfric based on the author s unexpected and passionate love affair. AElfric s poems span from the romantic to the comedic via the erotic, and can challenge a faint-hearted reader! Discover a modern Aphrodite with her Dionysus, the transformation of stale fairy tales into meaningful insights and even a post-feminist dilemma in An Ode to My Pubic Hair and its Lack Thereof . Sometimes sublime and sometimes ridiculous, these poems are (over)shared in the spirit of good humour and a celebration of life s flips and hot flushes!.
