

Relativity: The Special and the General Theory (100th Anniversary edition)

By Albert Einstein, Hanoch Gutfreund, Jürgen Renn

Princeton University Press. Hardback. Book Condition: new. BRAND NEW, Relativity: The Special and the General Theory (100th Anniversary edition), Albert Einstein, Hanoch Gutfreund, Jürgen Renn, After completing the final version of his general theory of relativity in November 1915, Albert Einstein wrote a book about relativity for a popular audience. His intention was "to give an exact insight into the theory of relativity to those readers who, from a general scientific and philosophical point of view, are interested in the theory, but who are not conversant with the mathematical apparatus of theoretical physics." The book remains one of the most lucid explanations of the special and general theories ever written. In the early 1920s alone, it was translated into ten languages, and fifteen editions in the original German appeared over the course of Einstein's lifetime. This new edition of Einstein's celebrated book features an authoritative English translation of the text along with an introduction and a reading companion by Hanoch Gutfreund and Jürgen Renn that examines the evolution of Einstein's thinking and casts his ideas in a broader present-day context. A special chapter explores the history of and the stories behind the early foreign-language editions in light of the reception...
