Brand New Book ***** Print on Demand *****.The Adventures of the Alphabet is not only a fun way for children ages 3-6 to learn about the alphabet, vowels and how words are constructed but also a valuable educational tool for pre-school, kindergarten and first grade teachers to help eager to learn young minds basic concepts required as they learn to read. I have discussed this book with my daughter who taught kindergarten and first grade students as well as other educators and they felt the approach taken in the book is novel and unique.
