The Heart of a CEO How I Went From the Internet Independent to Mainstream Publicity Frequently Asked Questions about the Book 1. What made you want to write a book Books have been around for a very long time and they come in all different forms, shapes and sizes. Books are created for the sole purpose of building some type of knowledge. I wanted to write a book for a number of reasons. I guess one of the biggest reasons was I wanted a way to make a sufficient living and travel the world simultaneously and what better way to do this than to write a book. Back then I never thought I would write a book but opportunities come for those who seize them. Another reason is there have been so many people that ask questions about my success story. They want to know the truth behind the success and a lot of times when I do interviews, I cannot get out everything verbally but you can in writing a book. So many entrepreneurs from all walks of life understand this concept and this is why they write books. As a matter of fact, since I read hundreds of books of people inspiring me throughout the years, I guess you can say that it was like a chain reaction. I also wanted to write a book that embraced the struggles I went through on the journey to my success. The whole purpose of the book is to inspire as well as inform those that feel hopeless to become hopeful. The book is catered more towards the minority population because we have been down for so long that it is now time for us to elevate as one...
