Industrial Press Inc., U.S., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. The Little Black Book of Reliability Management provides the reader with a fresh but comprehensive perspective on the subject of reliability management. It challenges the reader to consider what he has a right to expect based on his current reliability programs. And it describes the programs and discipline needed if the reader desires the right to expect a higher level of reliability performance. This unique resource is perfect for individuals working in plants and in other organizations that are dependent on the reliability of complex physical assets.
