THE WHALE WHISPERERS: : THE SHAMAN S CURSE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Ten year old Shane is somewhat small for his age and is not athletic. He is bullied, but although it hurts him, he maintains his friendly and kind personality. Fortunately, Peggy who is his best friend, sticks up for him. They both like to Kayak in the Ocean. Shane s ancestors are members of a first Nations Tribe who had lived on their island centuries before. He discovers an ebony box containing two pieces of highly carved and strangely figured Obsidian. Both he and Peggy wear them as necklaces and just feel that they are beautiful jewellery. One day Shane comes upon a dreadful scene where he sees a young Orca whale fighting for its life trapped on a sand bar. He realizes there is no one else to help in a rescue attempt and he and Peggy must try to save this Orca themselves. As soon as this confrontation occurs both crystals glow and hum as they are activated. The children begin to receive telecommunication from spirits of shaman imprisoned by spells in the crystals for many centuries. They can communicate with the shaman by telepathy and also with the whales and eagles and all other creatures. We learn how Toran the Shaman husband had cast these spells at the time of his wife Ulina s untimely death centuries before; to try to keep her spirit alive. His Talisman was created by his son after Toran s own death. passing With the assistance of great eagles and the whale pod members with the guidance of the shaman they manage to fight off an attack of poachers and then with the pulling strength of the mother and the deep diving powers...
