Bitemark Evidence: A Color Atlas and Text (Hardback)

By -

Taylor Francis Inc, United States, 2011. Hardback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. Experts in the field of bitemark evidence confront complexities ranging from the identification and collection of evidence, to microscopic analysis, to legal implications and courtroom admissibility. Now in its second edition, Bitemark Evidence reflects the knowledge, training, experience, opinions, and research of 27 authors from around the world to present an atlas with coverage from a range of disciplines. This comprehensive text details the protocols for photography, collection, preservation, and analysis of bitemarks and examines everything from the history of bitemark evidence, to diagnostic considerations, to expert witnesses and testimony. New in the Second Edition: * A historical perspective, beginning with the earliest known bitemark references from the Bible and the Kama Sutra, up to the modern development of forensic organizations around the world * Updated chapter on digital photography * Practical tips on forensic bitemark photography * Processing and analysis of digital images for evidentiary purposes * The rationale, use, materials, and methods employed for confocal laser microscopy (CLM) and the scanning electron microscope (SEM) * Current issues in bitemark analysis and research, emerging technologies, and recent developments * Completely revamped...
