THE REVELATION CHRONICLES

David Hume. Paperback. Condition: New. 316 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. The events of September 11, 2001, revealed something more than evil. The Federal governments analysis of the attacks provided a long list of intelligence failures, bungled communication and interagency squabbling that opened the door to bin Ladens lackeys. Not since 1941 had this Nations soul been hurt so deeply. But unlike Pearl Harbor, these were attacks on innocent civilians, designed to sow terror, and to take peace from the world. Our vocabularies now included words like al-Qaeda, Taliban and jihad. In just a few hours of a single day, our lives were changed forever. When a massive bomb explodes in the bowels of the World Trade Centers North Tower, a mysterious Swiss banker comes out from the shadows and sets a plan in motion that he hopes will fulfill his lifelong dream to destroy the United States of America. The FBI forms an intelligence unit to supplement its Terrorism Task Force and recruits Christopher Garcia to head the group. Garcia starts a no-rules pursuit of a band of mercenaries, led by home-grown terrorist, Abdul Hamsa, and his al-Qaeda allies. But Hamsa has failed to weigh the determination of his most dangerous adversary. The defeat of Hamsas plan hinges on the ability of Garcia and his team to navigate their way through a labyrinth of lethal traps set by the terrorist. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
