Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Carving and Serving Printed rules for carving are usually accompanied with cuts showing the position of the joint or fowl on the platter, and having lines indicating the method of cutting. But this will not be attempted in this manual, as such illustrations seldom prove helpful: for the actual thing before us bears faint resemblance to the pictures, which give us only the surface, with no hint of what may be inside. It is comparatively a slight matter to carve a solid mass of lean meat. It is the bones, tough gristle, and tendons, that interfere with the easy progress of the knife. To expect any one to carve well without any conception of the internal structure of what may be placed before him is as absurd as to expect one to amputate a limb successfully who has no knowledge of human anatomy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
