Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Finding God in an RV has been an amazing adventure and truly a Gift from God. I have been privileged to witness some of the wonders of God s creation as we traveled across the United States. At the same time, I have experienced events, which demonstrate God s wonderful sense of humor, bringing a whole new meaning to be careful what you wish for! Our first encounter with bison, was just one example of God s humor.Both Barb and I spent much of our time outside of our comfort zone, as every day was a new experience. This taught me patience beyond my own capabilities and the necessity of one hundred percent reliance on God and His plan. I have been stunned by God s impeccable timing, in ways which affected, not only our journey, but was weaved into the lives of others.I have learned about prayer and what it means to have a personal relationship with God. I now understand the importance of staying connected to God, through His Word, not just occasionally, but daily.I hope you will enjoy our adventure and marvel at the numerous miracles God performed in our lives along the way. It is my hope that these words will inspire you to seek God in your life; recognize that miracles are for today, not just in history; and most important, they are for you too! God just wants a relationship with you--He already knows you as His creation, now He wants to know you as His friend.
