

Humanities and Social Sciences Library. Beijing University of Aeronautics and Astronautics: U.S. Department of Defense basic research management system(Chinese Edition)

Filesize: 7.48 MB

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Kian Harber)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date: October 2012 Pages: 189 Language: Chinese in Publisher: Peking University Press. the U.S. Department of Defense basic research is the basis of its advanced weapons. the basis of management's direct impact on the development of national defense as a whole. therefore. the study U.S. Department of Defense basic research is to study the core of the U.S. defense. The analysis of the management system is a complex study. The Department of Defense basic research is a public good. the government will be the main investors. DoD basic research object is science. and science has its own development path and laws. not to the will of the people for the transfer. but the people's initiative can make science for the benefit of mankind. The management system is both historical inheritance and innovation of the new situation. is a long-term change and short-term stability of the system. From the time a node management system is assigned to the human. financial and material resources. responsibilities. tasks. which involve policy guidance. coordination and execution of legal protection. institutional. Therefore Humanities and Social Sciences Library. Beijing University of Aeronautics and Astronautics: U.S. Department of Defense basic research management system based on the theory of public administration. from the strategic environment. funding. organization and operation. monitoring and evaluation of four aspects of the U.S. Department of Defense basic research Analysis of the management system. through a large number of literature references. data analysis to evidence management system is the U.S. Department of Defense basic research reasons for the success. not just strong capital investment. The main innovation of the Humanities and Social Sciences Library. Beijing University of Aeronautics and Astronautics: U.S. Department...
