Allen Unwin, Australia, 2018. Paperback. Condition: New. Language: English . Brand New Book. Pip has one clue about the whereabouts of her birth mother, Cass - an old postcard from Beautiful Byron Bay. She s been settled with the Brownings, who are planning to adopt her-at least, that s until Pip gets into trouble once again! Now, Pip is sure she won t find a home with the Brownings. There s only one place she might belong, and that s with her mother. With her faithful hound Houdini by her side, Pip sets off north, to find out once and for all what became of Cass. It s a journey filled with interesting people, including a mysteriously musical young woman and a friendly, sun-bitten surfer. But as Pip draws ever-closer to Byron Bay, is she prepared for what she will find when she gets there? Once again this girl as skinny as a piece of string proves that adventure is where you choose to find it and a little bit of kindness can go a long way! PIP AND HOUDINI is a warm-hearted adventure story about a feisty girl and her escape-artist dog exploring the world.
