

Rheumatology

By Helliwell, Philip S. / Bird, Howard A.

Book Condition: New. Publisher/Verlag: Springer, Berlin | This selection of MCQs in rheumatology is largely aimed at MRCP candidates but some will be difficult for established rheumatologists and some will be possible for enthusiastic medical students. The format of the questions largely follows that used in the MRCP Part I examination with a few exceptions employing diagrams and assertion/reason questions (these are explained on p. vi). No guidance on scoring is included since we feel that if an honest attempt is made at answering the question then the process is, in itself, educational. Some of the answers have been determined only after considerable discussion between us and as far as possible we have attempted to convey the views expressed in accepted British texts. Where answers seem contentious an appropriate reference has been given. Similarly the layout of the chapters largely follows that adopted by standard text books although the basic sciences have been incorporated within the individual chapters. We wish to thank Mrs. Dora Smith for typing and re-typing the manuscript according to the foibles of three different authors. Leeds, October 1988 P. S. Helliwell H. A. Bird V. Reviews

The book is not difficult to read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.

-- **Valerie Heaney**

These types of publication is the best book available. It absolutely was written very completely and helpful. I am very happy to explain how here is the greatest book we have studied within my individual existence and can be the greatest publication for possibly.
