Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you want to get a step ahead, and not just spend your life stuck behind? Do you want to conquer procrastination - forever? Are you struggling to get your projects done on time? Or are you tired of being the one big move from changing your life? Writers, entrepreneurs and business owners - you need to read PROCRASTINATION - as soon as possible! In this book, you ll learn how to use the power of habit to unlock unstoppable motivation, and banish the desire to -just work on this later- FOREVER. You cannot underestimate the power of motivation. Learn how to diagnose the different causes of procrastination and excise them from your life today. You can discover that you have more time now than you ever thought possible and finally enjoy the breathing room and sense of satisfaction that comes from finishing your tasks ahead of schedule. Packed with wisdom you can put to use right away, you ll learn how to become the worker you always knew you were. What pragmatic and actionable tactics will you learn? How to quickly isolate the cause of your procrastination. The secret to converting laziness to motivation within yourself and others. The foolproof method for developing ironclad discipline. The most common motivational mistakes even smart business owners make and how to avoid them. The singular best way to create achievable, life-changing goals. Also the following insights: The 16 internal causes of procrastination you must conquer to achieve success. Six different ways you can - cheat- and outperform the competition. A step-by-step process for unlocking the new, super-motivated version of you. How to achieve absolute mindfulness with seven meditation secrets. PLUS, a powerful quiz to jumpstart the process! Here s what this book ISN T: this...
