

## The Imperiled Cutthroat: Tracing the Fate of Yellowstone's Native Trout (Hardback)

By Greg French

Patagonia Books, United States, 2016. Hardback. Condition: New. Geoffrey Holstad (illustrator). Language: English . Brand New Book. Yellowstone, the world's first national park and one of America's truly great trout fisheries, has been a crucible for ideas on how to look after wild places. Renowned Australian fishing writer Greg French gives a sparkling firsthand account of how the park's history, landscapes, wildlife, and people have touched anglers worldwide -- and why this matters. The Imperiled Cutthroat is a travelogue that covers the story of the Yellowstone cutthroat trout: its discovery, biology, decimation, modern-day allure, and uncertain future. Although set against the dramatic backdrop of Yellowstone, comparisons to Australia, New Zealand, and Europe are inevitable. It is a cautionary tale too, ending up in Mongolia, which is as pristine as Montana once was. The Yellowstone fishery is at a crossroads, and debate about what to do is dangerously narrow. Anglers everywhere need to be constantly reminded that hatcheries are far from a panacea for ailing fisheries: fostering conservation of the natural environment delivers far better outcomes at a fraction of the cost. The power of Greg's stories comes not just from the quality of the writing but...
