THE ITINERARY OF BENJAMIN OF TUDELA (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At this juncture the traveller Rabbi Benjamin came to Egypt. Some three years earlier he had left his native place-Tudela, on the Ebro in the north of Spain. After passing through the prosperous towns which lie on the Gulf of Lyons, he visited Rome and South Italy. From Otranto he crossed over to Corfu, traversed Greece, and then came to Constantinople, of which he gives an interesting account. Very telling, for example, are the words: -They hire from amongst all nations warriors called Barbarians to fight with the Sultan of the Seljuks; for the natives are not warlike, but are as women who have no strength to fight.- After visiting the Islands of the Aegean, as well as Rhodes and Cyprus, he passed on to Antioch, and followed the well-known southern route skirting the Mediterranean, visiting the important cities along the coast, all of which were then in the hands of the Franks. Having regard to the strained relations between the Christians and Saracens, and to the fights and forays of the Latin knights, we can understand that Benjamin had to follow a very circuitous way to enable him to visit all the places of note in Palestine.
