Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is given to some regiments to spread their achievements over the quiet centuries, while to the lot of others it falls to live, for a generation or two, in an atmosphere of warlike strife and ever present danger. The Guides have been, from a soldier's point of view, somewhat fortunate in seeing much service during the past sixty years; and thus their history lends itself readily to a narrative which is full of adventure and stirring deeds. The story of those deeds may, perchance, be found of interest to those at home, who like to read the gallant record of the men who fight their battles in remote and unfamiliar corners of the Empire across the seas.
