This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

O res mirabilis, manducat Dominum Pauper, Servus et Humilis. These words of the Matins of the Most Holy Sacrament I heard for the first time many years ago, to the beautiful and inappropriate music of Cherubini. They struck me at that time as foolish, barbarous, and almost gross; but since then I have learned to think of them, and in a measure to feel of them, as of something greater and more solemn than all the music that Cherubini ever wrote. All the hymns of the same date are, indeed, things to think upon. They affect one-the Stabat Mater, for instance, and the Ave Verum -very much in the same way as the figures which stare down, dingy green and blue, from the gold of the Cosmati's mosaics: childish, dreary, all stiff and agape, but so solemn and pathetic, and full of the greatest future. For out of those Cosmati mosaics, and those barbarous frescoes of the old basilicas, will come Giotto and all the Renaissance; and out of those Church songs will come Dante; they are all signs, poor primitive rhymes and primitive figures, that the world is teeming again, and will bear, for centuries to come, new spiritual wonders. Hence the importance, the venerableness of all those mediaeval hymns. But of none so much, to my mind, as of those words I have quoted from the Matins of the Most Holy Sacrament- O res mirabilis, manducat Dominum, Pauper, Servus et Humilis. For their crude and pathetic literality, their image of the Godhead actually giving Himself, as they emphatically say, to be chewed by the poor and humble man and the serf, show them to...
