Transforming to the vegan lifestyle is truly becoming the new black. Who does not love black? Children can be very picky and scared of trying different types of food. I found a fun way that may help slowly transition your children to a healthier lifestyle. We must first start with desserts because what child does not love dessert? These desserts do have sugar in them but they are vegan, and it is a start! Featuring 15 simple but tasty vegan dessert recipes. These adorable children recipes offer alternatives to desserts that are usually heavily loaded with butter, eggs, and other animal products. Some of my best bonding moments were in the kitchen with my elders. Your child or children will have so much fun baking with you. Each dessert has its own fun and unique name that the kids will love! 1. Cashew Cookie Extravaganza 2. Candy Land Of Sushi 3. Monkeys Scream For Ice Cream 4. Cookoo For Cupcakes 5.
