

Crappie: How to Catch Them Fall and Winter

By John E Phillips

John E. Phillips, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Black and White Version Yes, you can catch and eat crappie during the fall and winter months. Often at many places, you ll catch more and bigger crappie in the fall and winter than you do in the spring and summer. To learn where to find and how to catch cooler weather speckled sides, we ve interviewed a wide variety of some of the nation s best tournament crappie fishermen and guides. Many of the individuals you ll read about in this book are tournament crappie pros, who travel the country to fish in crappie tournaments from New York to Florida and from Virginia to California. They use the latest crappie-finding equipment, the best poles, rods, reels, line and the most-productive baits. Each of the people you ll read about in this book has the ability to be dropped-out of an airplane anywhere in the United States and catch crappie on any lake close to where they land that contains crappie. From over 50 years of crappie-fishing experience, I ve learned you get the best advice...

Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.
