

Hidden Nature: A Voyage of Discovery (Paperback)

Filesize: 1.54 MB

Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Sallie Wiegand)

HIDDEN NATURE: A VOYAGE OF DISCOVERY (PAPERBACK)

Hodder Stoughton General Division, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. An emotional and compelling memoir, that left me inspired, both by her bravery in transforming her life, and by the unexpected beauty she finds along the way Countryfile Magazine Fowler beautifully exposes her emotional fragility while also celebrating the unloved nature of buddleia, herons and even the water rats who take refuge among the locks. i paper Fowler captures the beauty of the canal s dishevelled, neglected condition. Times Literary Supplement Thoughtful and heartbreakingly honest .Beautiful Press Association An astounding memoir Gay Star News Hidden Nature is one of the most thrilling things I ve read in a long time Waterways World She writes wonderfully about the species that have carved out a place for themselves amid the discarded shopping trolleys, condom packets and industrial waste Guardian This candid book is as much about mapping the heart as it is about mapping the paths of waterways. Lovely. Simple Things A beautiful memoir Good Housekeeping Gentle, brave and acutely observant Woman s Weekly Leaving her garden to the mercy of the slugs, the Guardian s award-winning writer Alys Fowler set out in an inflatable kayak to explore Birmingham s canal network, full of little-used waterways where huge pike skulk and kingfishers dart. Her book is about noticing the wild everywhere and what it means to see beauty where you least expect it. What happens when someone who has learned to observe her external world in such detail decides to examine her internal world with the same care? Beautifully written, honest and very moving, Hidden Nature is also the story of Alys Fowler s emotional journey and her coming out as a gay woman: above all, this book is about losing and finding, exploring familiar places...
