sandy stillwell, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Gems of Genesis Wellness Blueprint is a unique presentation of wellness encoded in the book of Genesis, where our wellspring of health springs forth from the healing power of creation. Optimum health is expressed in a three-fold way by supercharging our solar system, synchronizing with our genetic design, and superseding the natural by divine healing. The classroom of our Creator is a synergy of wellness, embedded in science, history, art, geometry and geography. This compelling book appeals to a wide range audience as science and art merge with the spiritual, harnessing full healing potential. Each gem includes directives and resources for further development. Furthermore, these healing modalities are especially timely now in our age of prevailing disease. This book has broken new ground in combining nutrition, light and color therapy, and divine healing. It is smart, well researched, and both physically and spiritually moving - a much needed book for this age of rampant illnesses. The Gems of Genesis with its variety of methodologies for achieving maximum health in body, soul and spirit is truly a gem for anyone interested in obtaining sound health. This book is a valuable resource providing hope even beyond conventional medical means.
