By Bill Fitzgerald

Packt Publishing Limited. Paperback. Book Condition: New. Paperback. 390 pages. Dimensions: 9.2in. x 7.5in. x 0.9in. Create web-based, content-rich tools for teaching and learning Overview Create a powerful tool for communication among teachers, students, and the community with minimal programming knowledge Produce blogs, online discussions, groups and a media hosting platform using Drupal Step-by-step instructions in a teacher-friendly approach; creating your classroom website will be an enjoyable task In Detail As social networks become more popular, their role in the classroom has come under scrutiny. Drupal offers a wide variety of useful tools for educators. Within a single Drupal site, you can set up social bookmarking, podcasting, video hosting, formal and informal groups, rich user profiles, and other features commonly associated with social web communities. Drupal for Education and E-Learning - Second Edition teaches you how to create your own social networking site to advance teaching and learning goals in the classroom, while giving you complete control over features and access. Communicate with students, share learning resources, and track assignments through simple tasks with this hands-on guide. In this book you will learn to install and configure the default Drupal distribution and then extend it to include blogs, bookmarks, a media...
