Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.

Penguin Publishing Group, United States, 2008. Paperback. Book Condition: New. Reprint. 173 x 104 mm. Language: English . Brand New Book. The first of Sinclair Lewis's great successes, *Main Street* shattered the sentimental American myth of happy small-town life with its satire of narrow-minded provincialism. Reflecting his own unhappy childhood in Sauk Centre, Minnesota, Lewis's sixth novel attacked the conformity and dullness he saw in midwestern village life. Young college graduate Carol Milford moves from the city to tiny Gopher Prairie after marrying the local doctor, and tries to bring culture to the small town. But her efforts to reform the prairie village are met by a wall of gossip, greed, conventionality, pitifully unambitious cultural endeavors, and worst of all the pettiness and bigotry of small-town minds. Lewis's portrayal of a marriage torn by disillusionment and a woman forced into compromises is at once devastating social satire and persuasive realism. His subtle characterizations and intimate details of small-town America make *Main Street* a complex and compelling work and established Lewis as an important figure in twentieth-century American literature.
