Xlibris, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is 3027 A.G.F, 3000 years after the Devil had been slain during the Great Fall War. However, peace is fragile and not what it appears to be. The nine worlds are under the rule and watchful eye of the church/government, Vitricus, and its army. Religion is no longer taught, but downloaded straight into the mind resulting in complete submission. Cyborgs and A.I. have long failed at their struggle for civil equality. Human-beings called hei-cons possess extraordinary physical abilities. Most wildlife has been donned with human intellect and the planets are hunting grounds for the demonic, blood-thirsting lux0. Now, a stranger appears in a time of rising chaos. He claims to have an unveiling message that will unmask a corrupt conspiracy-a dark secret more than thirty centuries old. Accompanied by an ensemble of unlikely allies, the stranger, known only as June, will use all of his excelled skills and astonishing awareness to ensure the distribution of this message. But will it be enough to defeat the Seven and preserve humanity s salvation against a resurrecting, ancient evil?.
