

Petroleum Production Engineering (Hardback)

By Boyun Guo, Xuehao Tan

ELSEVIER SCIENCE TECHNOLOGY, United States, 2017. Hardback. Condition: New. 2nd edition. Language: English . Brand New Book. Petroleum Production Engineering, Second Edition, updates both the new and veteran engineer on how to employ day-to-day production fundamentals to solve real-world challenges with modern technology. Enhanced to include equations and references with today s more complex systems, such as working with horizontal wells, workovers, and an entire new section of chapters dedicated to flow assurance, this go-to reference remains the most all-inclusive source for answering all upstream and midstream production issues. Completely updated with five sections covering the entire production spectrum, including well productivity, equipment and facilities, well stimulation and workover, artificial lift methods, and flow assurance, this updated edition continues to deliver the most practical applied production techniques, answers, and methods for today s production engineer and manager. In addition, updated Excel spreadsheets that cover the most critical production equations from the book are included for download.
