Yorkshire Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Keep your drapes closed and your wife and kids in the house until we can get this guy on something. Don't look him in the eye, and don't have anything to do with him; otherwise, a rock or a bullet may be coming through one of your windows. You are in real danger and we are doing all that we can to move this guy out of this city. Though it sounds like a nightmare or a horror flick, those words meant real-life pain and suffering to author and public speaker Milan D. Babyar. He struggled through childhood with attacks on his spirit and character. Often he questioned his Spiritual Identity and felt stretched to the limit. He always had trouble identifying and relating to any particular group, so he learned at an early age to build a solid foundation with God--the ultimate Identity Protector. By the time he reached adulthood, though still unsure in some areas, Milan had a firm identity--personal and spiritual. It was then that a thief stole away part of his personal identity and threatened his strength. Milan faced his plight head-on and, with his sound faith, rebuilt his Ultimate Identity in Christ. If you've ever been the victim of an Identity Thief or of a Character Thief, then you must read this book. Learn how to thwart the Phishers of Men in your life and maintain sound Identity in all areas of your life.
