Cengage Learning, Inc, United States, 2010. Paperback. Book Condition: New. 274 x 216 mm. Language: English . Brand New Book. Harnessing AutoCAD[registered] 2011 continues in the tradition of previous editions by providing the widest selection of discipline-specific exercises and projects for learning how to use today s leading desktop design and drawing software. This widely used resource contains all the latest functionality, including extensively illustrated examples of prompt-response sequences, whereby certain commands prompt users for additional information, such as coordinates or dimensions, to complete a function. The companion Exercise Manual has also been updated and is included in its entirety on an online companion website. The manual features problems in complete project format for practicing concepts and commands learned in a chapter or section as well as for testing single concepts and commands. Exercises span all of the popular disciplines in the industry today including mechanical, architectural, civil, electrical, and piping. This complete package contains a wealth of information and practical knowledge for both the novice and the advanced user.
