Healing the Downsized Organization: What Every Employee Needs to Know about Today's New Workplace

By Delorese Ambrose

Three Rivers Press (CA). Paperback. Book Condition: New. This item is printed on demand. Paperback. 276 pages. Healing the Downsized Organization is for managers and employees who must make sense of dramatically changed workplaces after reengineering, restructuring, or downsizing. Here are best practices from those who are successfully reinventing their organizations and re-creating healthy workplaces. Documented examples from executives, managers, and employees who have bounced back from this challenge reveal how they minimized pain during downsizing and discovered promising possibilities for changed employer-employee relationships. Dramatic profiles of four organizations--representing manufacturing, media journalism, education, and health care--provide lessons you can practice today, whether downsizing is unfolding now or whether it looms in the future. From interviews with CEOs, managers, and employees, you will understand how individuals at all levels have handled the tension between personal and organizational goals, managed the human struggles, and achieved victories as they cut costs and redeployed resources to face competition or changing market conditions. You will learn how these companies and individuals coped with downsizing, including: how survivors regained momentum, focus, and job satisfaction after downsizing what kinds of company-employee interactions allowed trust to be rebuilt how managers succeeded in balancing the concerns of those who...

Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.
