Margaret Merrill's passion is helping people live to the absolute peak of their potential. She could see, though, that the lack of one foundational element completely derailed even the most devout seeker, and that element is Purpose. Motivated to meet this universal need and inspired by truths taught her by a Navajo Medicine Man, Margaret created a step-by-step Purpose Discovery Process that is transforming her clients' lives across the globe! This guaranteed process, finally available to the public, is masterfully woven with fascinating stories from her life among the Navajo people. In your hands you have the key to creating meaning, fulfillment and prosperity like you have only imagined. Listen to the whisper that compels you toward your purpose, and live the life you love. You are embarking on a journey into meaning. Page by page, Margaret Merrill will lead you into the deep, provoking you to become totally honest with yourself. As she causes you to develop a new perception of purpose and values in your life, you will become acutely aware that an individual who has never defined their life's purpose, nor chosen their values is living like a minnow in the shallows, never expressing or adding deep meaning to their days.
