Reviews

This type of pdf is every little thing and helped me searching forward and more. It can be written in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).

John Wiley Sons Inc, United States, 2016. Hardback. Book Condition: New. 9th Revised edition. 315 x 287 mm. Language: English . Brand New Book. The world's number 1 dermatology information resource Universally respected, Rook's Textbook of Dermatology is the most comprehensive, definitive and best-illustrated reference work for dermatologists of all levels worldwide and has been at the forefront of international dermatology publishing since first appearing in 1968. The Ninth Edition has been radically re-engineered to match the modern day challenges faced by dermatologists. Once again it has been published as a combined digital and print resource, but with a new online platform enabling easier and faster navigation. A common structure to describe and discuss each disorder has been adopted throughout, whilst maintaining the depth of information for which Rook is renowned. A high priority has been placed on the ease of extracting key information quickly: diagnostic algorithms and management ladders help the reader choose appropriate treatment strategies. More images than ever over 5000 in total aid diagnosis by displaying variations in disease manifestations according to body location, skin type and severity. The section on aesthetic dermatology has been greatly expanded with more coverage of procedures in this rapidly developing field. Rook's Textbook of Dermatology, Ninth Edition provides you with: The very best content from the number one brand in dermatology an essential consultation tool for all dermatologists An outstanding combined digital/print resource, exhaustively covering every dermatological disorder A complete overhaul of its content each disorder now follows a consistent templated approach A fresh approach to the classification of disorders and organization of chapters, of which there are now 160 instead of 80, all organised into 14 logical sections A newly designed sophisticated online platform with a fast and powerful digital search functionality search by keyword, disorder or...
