SOCIOLOGY: ESSAYS ON APPROACH & METHODOLOGY (SECOND EDITION)

Oxford University Press, New Delhi, India, 2009. Paperback. Book Condition: New. Second Edition. These essays reflect André Beteilles central concerns as a teacher and scholar of sociology. They examine the nature and scope of the discipline including its distinctive conception as an intellectual pursuit and its relation to associated fields of anthropology, economics and political science. The substantially revised second edition re-emphasizes the authors standpoint that sociology as an intellectual discipline should be concerned more directly with the present than..
